

## **Weekly Bulletin**

What a half term we have had! All of the staff have been immensely proud of our pupils this half term, from the way they have conducted themselves in examinations, on school visits and the respect they have shown to visitors to the school. We are looking forward to the last half term of this academic year and all the exciting activities that we have planned.

This week our thought of the week has been about the Global Goal of Quality Education; we have spoken to the pupils all week about why education is important to their futures, not only for their career prospects but also to help them in all aspects of their lives.

Finally, we would like to let you know of some staff changes that have taken place. Mrs Fiddler will be taking over the role of SENCO at the academy, this is following Miss Cunnion taking on the land based curriculum from South Staffordshire College. We are really excited about how both teachers will develop the areas of the academy they are taking responsibility for and know that next year will be a really exciting time for us all!

Congratulations to the following pupils who have received the most positive points this half term:

Oscar Cheadle (Y9)  
Josie Braine (Y9)  
Dylan Middleton (Y8)  
Francesca Troman (Y9)  
Imogen Forrester (Y9)  
Amelia Black (Y9)  
Ellie-Mae Wall (Y8)  
Katy Walker (Y9)  
Charlotte Banks (Y9)

## **Teaching and learning**

The thought of the week this week centred around The United Nations Global Goal for Education. Education liberates the intellect, unlocks the imagination and is fundamental for self-respect. It is the key to prosperity and opens a world of opportunities, making it possible for each of us to contribute to a progressive, healthy society. Learning benefits every human being and should be available to all. As we are aware, many children around the world fail to receive an education and crave what we and our children often take for granted, free access to education and an environment for learning.

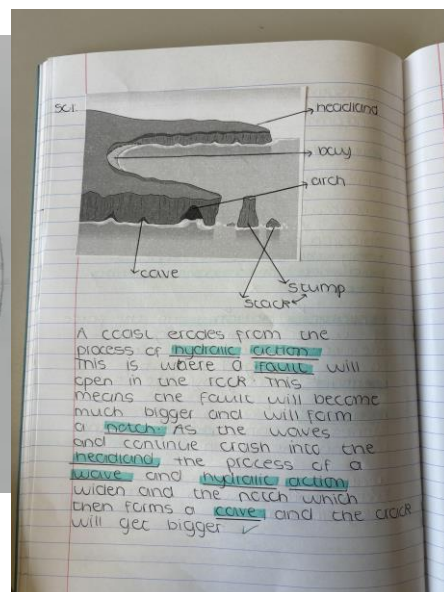

If you would like to read more about global goals then please follow this link

At the Rural Enterprise Academy we are keen to ensure that the environment for learning is as good as it can be. This is achieved through effective management of the behaviour of students within the classroom; using the one warning system, whilst recognising positive behaviour and contributions frequently through the use of class charts and positive points.

This week, the following students' work has been nominated for recognition by their class teachers for their outstanding books or classwork.

Hattie Hadley Y8 for her work in geography  
 Jaxen Huperies Y7 (Creative Studies)  
 Primrose Payne Y7

This fantastic piece of work demonstrates the excellent standard of presentation that we aim to see across the academy. Well done JoJo. Over half term, please encourage your child to find all of the required stationary which will then enable them to present their work to an

appropriate standard. The required stationary is listed below with a visual prompt from Katie in Y9.

A reminder that the following pieces of equipment are expected as standard, every day:

- Reading book
- Ruler
- Glue
- Rubber
- Sharpener
- Scientific Calculator

Year 11 have had their busiest GCSE week yet. They have conducted themselves incredibly well and their determination to succeed is bound to pay off in August on results day on August 22nd 2024.

Year 10 also continue to complete their end of year examinations. As marking is completed grades and scores will be shared with students but importantly the feedback they will receive will stand them in good stead for gains to be made in year 11. Look out for Smith Proforma.

### Uniform:

Please see the information below about school uniforms.

Uniform information is located in the behaviour policy.

**Make-up and Nail Varnish** – The wearing of make-up is not encouraged, this includes false eyelashes. Anyone wearing excessive amounts of either will be asked to remove it. Staff will determine excessive. False nails or nail varnish should not be worn and any pupil who does not abide with this rule will be forced to remove varnish/nails as it is a health and safety issue, especially for land based studies. Nail varnish remover will be provided. We urge parents/carers not to allow pupils to have false nails applied unless they can be removed prior to school attendance. They are very expensive but are not compatible with the ethos of a land based enterprise academy. There are no exceptions to this rule.

Boots are not acceptable footwear at the Academy unless prescribed for a medical condition. - Therefore, we will require a note from a medical professional stating the use of boots.

### KEY STAGE THREE ENGLISH REMINDER:

Homework books were checked and handed back yesterday. Thank you to all parents who are supporting students with this. It will prepare them wonderfully for revision next year.

Due the Thursday after Half-Term break: Years 7 & 8 should be up to page 25, and Year 9 should be up to page 27.

For students who have missed pages up until this week, please remember to go back and complete them.

A reminder that if students have lost or badly damaged their books, then parents should be replacing them. Go to CGP Books and find the TARGETED ENGLISH WORKBOOK for the correct Year group.
