

Weekly Bulletin

Today, we say farewell to our year 11 pupils. They have been such a fantastic year group and we will all be sad to see them go this afternoon. It has been an absolute pleasure to be a part of their journey and know they will each individually go on to be successful in their own way. We wish them all the best of luck for the future, please keep in touch! GCSE results will be available for pupils to collect on Thursday 22nd August between 9.00am-11.00am.

This week our thought for the week has been around the British Value, the rule of law. We had a very thought-provoking assembly from Mr Perkins about the reasons why and hope our pupils have come away with a better understanding of the importance of rules, routines and systems both in school and in society as a whole.

Congratulations to the following pupils who have received the most positive points:

Ryan Smith-Mills (Y8)
Amelia Black (Y9)
Jojo Rowbotham (Y9)
Scarlett Jordan (Y8)
Millie Matthews (Y9)
Thomas Richards (Y7)

Teaching and learning

Another fantastic week in school where students have been able to place learning at the heart of their lessons, from Physics examination prep in year ten lessons, poetry in year nine through to making very appetising desserts in technology with year eight as shown off by Freya in the image opposite. It is the week where we say goodbye to our wonderful year eleven students after successfully navigating their GCSE examinations reaching what could be described as our *destination*. I am sure the whole school community will echo the messages of thanks and appreciation that we have been able to pass on today. The assembly for year eleven leavers led by Mrs Porter and Mr Smith is a milestone for our students. It was a chance to celebrate for one last time together their hard work and achievements and for a little fun too. Regardless of their GCSE outcomes in August, today marked the culmination of their efforts and the end result of their work over the past three years. It is also a reflection of their personal effort to prepare for these examinations. Looking back over the three years that I have had the pleasure of working with these young people, it is important to share one message that is as important to them now as it was at the start of year nine “look beyond the train window, the world is a wonderful place”

I wish you every success in the future

Mr Attwood
