

Monday 11th March

Dear Parents/Guardians

**Harper Adams Field to Fork Festival - Friday 3rd May**

Harper Adams University is hosting its first schools' festival, 'Field to Fork' on Friday 3rd May 2019.

This is an exciting, free, educational event, celebrating food, where it comes from, and how it gets on our plates. The wide range of activities will overall aim to support students to see the variety of career pathways and potentials whilst linking this to their current studies in school and land.

Pupils will experience different workshops and 'have a go' activities. The festival aims to:

- Excite and educate both pupils and their teachers about where their food comes from
- Inspire pupils to consider a career in rural/land based studies
- Explain the route to study various courses from secondary school to higher education

We will leave school at 9.30am and return to school at 3.15pm.

As this is an all day event, pupils are advised to bring a packed lunch and suitable waterproof clothing and footwear for touring the outside of the university.

The cost of travel to and from the university will be **£3.50** per pupil. **Unfortunately, if we do not receive sufficient funds to cover transport costs, we will have to cancel this trip.**

Please would you complete the Parental Consent Form below and return it to the Academy Office together with your child's coach payment **no later than Friday 29th March.**

Yours sincerely

Lorraine Makin  
Principal
