The Rural Enterprise Academy

WELCOME

We invite you to experience all that The Rural Enterprise Academy has to offer, including: a brand new campus, an exciting and engaging curriculum and access to all of South Staffordshire College's Rodbaston campus facilities. Our aim is to educate, nurture and inspire future rural entrepreneurs. Whether our students want to work outdoors, look after our planet, or help to feed the nation – we grow talent!

WHAT OUR PARENTS SAY...

Sending my son to the Academy was the best decision I have made. It has increased his self-confidence enormously and the support he receives is second to none.

Year 12 Parent

**DID YOU
KNOW?**

Your child's safety and security is our priority. We are an inclusive school, valuing and accepting every student as an individual. We are dedicated to developing our students' self-esteem and confidence.

YOUR AT A GLANCE GUIDE TO THE RURAL ENTERPRISE ACADEMY

100%

of students would recommend the Academy to their friends

DID YOU KNOW?

We are the first ever dedicated land-based FREE school in England!

This beautiful 19th century building is also located on our campus!

Students have the opportunity to celebrate their achievements with their friends and family, at a graduation ceremony at the stunning Rodbaston Hall.

100%

of students say they feel well looked after and are well taught

Our rural location and facilities means we can provide an exceptional experience for those with an interest in the Land-based sector!

Students can use the transport system run by our partner South Staffordshire College - so we're easy to access!

We opened our doors to our first GCSE students in September 2012 and now have our own Sixth Form and Year 9 provision too!

WE ARE SPONSORED BY THREE BUSINESSES...

GCSEs and BTECs at The Rural Enterprise Academy

YR 9, 10 & 11

We give our students the opportunity to mix academic GCSEs with first-hand experience in industries that link directly with their goals!

QUALIFICATIONS

English Language // Mathematics // Science //
Business // Geography // English Literature //
French // IT // Agriculture // Equine

ADDITIONAL STUDIES

In addition, all students will undertake:
Citizenship // Health Education // Personal Fitness

WHAT OUR STUDENTS SAY...

I am very happy at this school. I love coming here because it's such a friendly place. It's nice having extra courses that you can't do at other schools.

DID YOU KNOW?

We are now taking on students to start in Year 9! Contact us to find out more

A Levels and BTECs at The Rural Enterprise Academy

SIXTH FORM

Our Sixth Form students have access to all of the Rodbaston Campus facilities, including the zoo, equine yard, working farm, libraries, coffee shop and **free wifi!**

A LEVEL OPTIONS

English Literature // Mathematics // Biology // Chemistry // Physics // Psychology // Business Studies

Students will select between 3 and 4 A Levels, or alternatively choose to study 3 A Levels alongside a BTEC Level 3 Certificate/Subsidiary Diploma.

BTEC LEVEL 3 OPTIONS

Animal Management // Agriculture // Horse Management

Other options may be available dependent on individual pathways and sufficient demand.

DID YOU KNOW?

A BTEC Level 3 Subsidiary Diploma is the equivalent to 1 A Level!

Studying A Levels is providing me with outstanding qualifications; this will assist me with my goal of becoming a chemical engineer!
