Code of Conduct for Employees

Approved by Governors: **October 2018**

Review Period: **1 year**

Review by: **October 2019**

Introduction

Please note this policy **must** be used in conjunction with Keeping Children Safe in Education 2018 and Working Together to Safeguard Children 2018.

- Academy Safeguarding Policy and Procedure
- Whistleblowing
- Staff Handbook
- Financial Regulations for Academies
- On line Acceptable user policy
- Health & Safety Policy
- Data Protection Procedures
- Safer recruitment guidelines
- Staff Disciplinary Policy
- Prevent Duty / Prevention of Radicalisation

All employees have personal and legal responsibilities. These include, treating others with dignity and respect, acting honestly, using public funds and academy equipment appropriately, adhering to health and safety guidelines and practising equal opportunities at all times. These expectations are set out below and should be fully observed by all staff at all levels.

This document highlights the principal areas where employees need to be aware of their responsibilities when working in the academy and it is a framework for behaviour. Employees should ensure they are familiar with the specific policies that underpin these behaviours through reference to the documents highlighted in the 'Required Reading'. If any documents are not supplied at induction, or easily available on the academy website the employee should ask for copies.

Failure to comply with the code of conduct and with the associated academy policies and required reading may result in disciplinary action being taken.

As an employer, the Governing Body is required to set out a Code of Conduct for all academy employees.

All staff employed under Teachers' Terms and Conditions of Employment have a statutory obligation to adhere to the 'Teachers' Standards 2012' and in relation to this policy, Part 2 of the Teachers' Standards - Personal and Professional Conduct and the focus upon safeguarding children's wellbeing and maintaining public trust in the teaching profession as part of their professional duties.

"Safeguarding and promoting the welfare of children is **everyone's** responsibility. **Everyone** who comes into contact with children and their families and carers has a role to play in safeguarding children. In order to fulfil this responsibility effectively, all professionals should make sure their approach is child-centred. This means that they should consider, at all times, what is in the **best interests** of the child".

All Academy staff have a responsibility to provide a safe environment in which children can learn.

NB. Research and Serious Case Reviews have repeatedly shown the dangers of staff failing to take effective action. Poor practice includes: failing to act on and refer the early signs of abuse and neglect, poor record keeping, failing to listen to the views of the child, failing to re-assess concerns when situations do not improve, sharing information too slowly and a lack of challenge to those who appear not to be taking action.

All Academy staff should be prepared to identify children who may benefit from early help.

It is an offence for a person aged 18 or over (e.g. teacher, youth worker) to have a sexual relationship with a child under 18 where that person is in a position of trust in respect of that child, even if the relationship is consensual. A situation where a person is in a position of trust could arise where the child is in full-time education and the person looks after children under 18 in the same establishment as the child, even if he/she does not teach the child.

1. Purpose, Scope and Principles

- 1.1 Staff should be aware that a failure to comply with the following Code of Conduct could result in disciplinary action including dismissal.

‘Safeguarding and promoting the welfare of children is everyone’s responsibility. Everyone who comes into contact with children and their families has a role to play. In order to fulfil this responsibility effectively, all practitioners should make sure their approach is child-centred. This means that they should consider, at all times, what is in the best interests of the child’. Keeping Children safe in education 2018.

- 1.2 If children and families are to receive the right help at the right time, **everyone** who comes into contact with them has a role to play in identifying concerns, sharing information and taking prompt action”.
- 1.3 Opportunity will be provided for staff to contribute to and shape safeguarding arrangements and the Safeguarding and Child Protection Policy.
- 1.4 A Code of Conduct is designed to give clear guidance on the standards of behaviour all academy staff are expected to observe, and the Academy should notify staff of this code and the expectations therein. Academy staff are in a unique position of influence and must adhere to behaviour that models the highest possible standards for all the pupils within the Academy. As a member of an academy community, each employee has an individual responsibility to maintain their reputation and the reputation of the academy, whether inside or outside working hours.

- 1.5 “As part of meeting a child’s needs it is important for governing bodies and proprietors to recognise the importance of information sharing between professionals and local agencies.” Further details on information sharing can be found in Chapter One of ‘Working Together to Safeguard Children’ (2018) and at Information sharing: Advice for Practitioners providing Safeguarding Services to Children, Young People, Parents and Carers (2018). All staff working in the Academy should be aware that neither the guidance provided within: Information sharing: Advice for Practitioners providing Safeguarding Services to Children, Young People, Parents and Carers or The Data Protection Act 2018 prevents the sharing of information necessary to keep children safe even without consent in some circumstances.
- 1.6 “Governing bodies and proprietors recognise the expertise staff build by undertaking safeguarding training and managing safeguarding concerns on a daily basis. They will provide opportunity for staff to contribute to and shape safeguarding arrangements and child protection policy and be in receipt of training which as relevant must be implemented. **All** staff members should receive appropriate safeguarding and child protection training which is regularly updated. In addition all staff members should receive safeguarding and child protection updates (for example, via email, e-bulletin and staff meetings), as required, but at least annually, to provide them with relevant skills and knowledge to safeguarding children effectively”.
- 1.7 Safeguarding children’s wellbeing and maintain public trust in the teaching profession as part of their professional duties.
- 1.8 **All** staff should know what to do if a child tells them he/she is being abused or neglected. Staff should know how to manage the requirement to maintain an appropriate level of confidentiality whilst at the same time liaising with relevant professionals such as the designated safeguarding lead and children’s social care. Staff should never promise a child that they will not tell anyone about an allegation – as this may ultimately not be in the best interests of the child.
- 1.9 Staff members working with children are advised to maintain an attitude of **‘it could happen here’** where safeguarding is concerned.
- 1.10 If a **teacher**, in the course of their work in the profession, discovers that an act of Female Genital Mutilation appears to have been carried out on a girl under the age of 18 the **teacher** must report this to the police. It is a criminal offence to not do this.
- 1.11 **If, a child is in immediate danger or is at risk of harm, a referral should be made to children’s social care and/or the police immediately.** Anyone can make a referral. Where referrals are not made

by the designated safeguarding lead the designated safeguarding lead should be informed, as soon as possible, that a referral has been made. Reporting child abuse to your local council directs you to your local children's social care contact number.

- 3.7 Adults should dress in ways which are appropriate to their role, and this may need to be different to how they dress when not at work and to ensure they are dressed appropriately for the tasks and the work they undertake. - 5.3 Gifts from suppliers or associates of the academy must be declared to the Principal or to the Chair of Governors if the Principal is the recipient, with the exception of “one off” token gifts from pupils or parents.
- 5.4 Adults need to be aware that the giving of gifts can be misinterpreted by others as a gesture either to bribe or “groom” a young person. (Working together to safeguard children 2014). If gifts are given this should be done openly and not based on favouritism. Personal gifts from individual members of staff to pupils are inappropriate and could be misinterpreted.
- 5.5 Methods of selection and exclusion of pupils for academy teams, productions, trips etc must always be subject to clear, agreed criteria.
- 5.6 The deliberate falsification of documents is not acceptable. Where an employee falsifies records or other documents, including those held electronically, this will be regarded as a serious disciplinary matter and potentially a criminal offence.
- 5.7 All Academy employees must comply with the Academy’s Financial Regulations. Employees should familiarise themselves with the regulations but some of the principal employee requirements are summarised below.
- 5.8 Staff will not use illegal drugs or alcohol during working hours, this is unacceptable and may lead to disciplinary action. All employees are expected to attend work without being under the influence of alcohol or

illegal drugs and without their performance being adversely impacted by the consumption of alcohol or illegal drugs.

- 5.9 If alcohol or drug usage impacts on an employee's working life, the academy has the right to discuss the matter with the employee and take appropriate action, having considered factors such as the academy's reputation and public confidence. This may also lead to disciplinary action. Safe storage of staff personal medication is advised to avoid any access by young people
- 5.10 Academy equipment and systems are available only for academy-related activities and should not be used for the fulfilment of another job or for personal use. This is unless authorised by the Principal.
- 5.11 Employees must not use their own personal equipment such as mobile phones or cameras to make recordings of pupils, parents or other employees. Academy equipment is available on request from the Business Manager where academy related, appropriate recordings need to be made.
- 5.12 Use of personal computers for sensitive academy information should not be advised. If transporting data on USB etc these must be secure and encrypted.

6. Conduct outside Work

- 6.1 Staff must not engage in conduct outside work which could seriously damage the reputation and standing of the Academy or the employee's own reputation or the reputation of other members of the Academy community. Any such conduct could lead to dismissal.
- 6.2 In particular, criminal offences that involve violence, criminal offences or behaviours that involve possession or use of illegal drugs or sexual misconduct are likely to be regarded as unacceptable and could lead to dismissal.

- 6.4 Staff must exercise caution when using information technology and be aware of the risks to themselves and others. Staff must not use personal means to contact parents/pupils or former pupils.
- 6.5 Staff must not engage in the use of internet or social network sites which may bring themselves, the Academy, Academy community or employer into disrepute. All staff should be aware that their relationships and associations, including on line, may have an implication for the safeguarding of pupils and if a member of staff has any concerns the Academy should be told (Keeping Children safe in Education 2018).

- 6.6 Staff must only use their Academy email account when communicating electronically with pupils, parents and colleagues.
- 6.7 Staff may undertake work outside the Academy, either paid or voluntary, provided that it does not conflict with the interests of the Academy and is not to a level which may contravene the working time regulations or affect an individual's work performance.

- 6.9 All members of staff must declare any business interests outside of the Academy that may be connected either to the supply of goods / services to the Academy or be rewarded through association with the Academy.
- 6.10 Members of staff may come into contact with pupils in social settings and it is important that staff recognise that their professional role does not just finish at the Academy gate. This is not to say that staff must ignore pupils in social settings but they should be mindful of how their behaviour towards pupils in such a setting may be interpreted.
- 6.11 Understand that the behaviour and actions of their partner (or other family members) may raise questions about their suitability to work with children and young people.
- 6.12 Academy employees must inform the Principal (Governing Body if the employee is the Principal) immediately if they are subject to a criminal conviction, caution ban, police enquiry, investigation or pending prosecution. The Principal or Governing Body will discuss this with the employee in the context of their role and responsibilities in order to help safeguard children and other employees at the Academy.
- 6.13 Employees must inform the Principal immediately if they are involved with any child protection incidents or issues regarding their own children or those of other colleagues. If a referral has not already been made to Families First it must be actioned
- 6.14 Failure to make a relevant declaration of interests is a very serious breach of trust and therefore if employees are in doubt about a declaration, they are advised to take advice from their academy or union.

7. Confidentiality

- 7.1 Where staff have access to confidential information about pupils/pupils or their parents or carers, staff must not reveal such information except to those colleagues who have a professional role in relation to the pupil/pupils.

- 7.2 All staff are likely at some point to witness actions which need to be confidential. For example, where a pupil is bullied by another pupil (or by a member of staff), this needs to be reported and dealt with in accordance with the appropriate Academy procedure. It must not be discussed outside the Academy, including with the pupils/pupils parent or carer, nor with colleagues in the Academy except with a senior member of staff with the appropriate role and authority to deal with the matter.
- 7.3 Staff have an obligation to share with the Academy's Designated Safeguarding Lead any information which gives rise to concern about the safety or welfare of a pupil/pupil. Staff must never promise a pupil that they will not act on information that they are told by the pupil.

8. Disciplinary Action

- 8.1 All staff need to recognise that failure to meet these standards of behaviour and conduct will result in disciplinary action, with the potential for dismissal.

Appendix 1 – Aide Memoire for all Staff

When we speak to others we will:

- Use a positive statement rather than a negative one so that children can learn what we expect of them in any situation.
- Use a calm tone of voice at all times, to explain something or to instruct the children, so that they can follow our words without feeling threatened or uncomfortable.
- Avoid using sarcastic words or phrases as these demean children and prevent them from developing high self-esteem.
- Speak respectfully to other adults at all times, even if we disagree with them.

As professionals we will:

- Avoid workplace gossip and negativity as it breeds resentment and becomes a roadblock to effective communication and collaboration. We all have a duty to take active steps to divert conversations away from this if we come across it.
- Maintain confidentiality about anything that we see or hear in the Academy, so that parents and children can trust us, and as a way of showing respect to our fellow professionals.
- Work as part of a team, contributing as well as learning from others and helping to build up a strong workforce so that we can provide the best possible learning opportunities for the children.
- Work within the Academy's policies and practices, so that what we do is consistent with what has been agreed between all members of the staff and the governors.
- Treat everyone with respect.
- Dress appropriately, so that we set a good example for the children and to show that we are here to work. We expect pupil to wear a very smart uniform including a shirt, tie and blazer and we must model this dress code appropriately.
- Behave in a positive way despite any personal problems that we may have, especially in front of the children.

Appendix 2 - From Teachers' Standards Effective from 1 September 2012 (DfE)

Showing tolerance of and respect for the rights of others.

Not undermining fundamental British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.

Ensuring that personal beliefs are not expressed in ways which exploit pupils' vulnerability or might lead them to break the law.

- Teachers must have proper and professional regard for the ethos, policies and practices of the academy in which they teach, and maintain high standards in their own attendance and punctuality.
- Teachers must have an understanding of, and always act within, the statutory frameworks which set out their professional duties and responsibilities.
