

24th March 2020

Good morning, TREA.

I hope this message finds you well and that you are managing to stay safe.

While school does not continue as normal, we encourage you to complete work set by your teachers on Google Classroom. This will help you carry on with your learning and maintain a routine for when things do return to normal. Some tasks will cover topics you have already learnt, but don't worry about not fully understanding all tasks set. You can submit your work to your teacher via Google Classroom and, if you need some additional help, you can ask questions through the comments section in the Classroom or email your teacher via the school email system.

Some of your parents have been asking about the situation regarding GCSE examinations. I will write separately to update you on this.

Regards

Mr Attwood
